

GDPR

G D & M DUNGLINSON LTD

CUSTOMER PRIVACY NOTICE

Following the introduction of the new European data protection (GDPR) laws we are obliged to transparently provide details of personal information we may hold about you our valued customer. Information we retain consists only of your Name, address, telephone number(s), statement of account, order history, historical quotations and details of your Dairy Milking Machinery if applicable. This information is held in order that we can continue to both maintain and service your equipment and provide new equipment as and when you require. Your personal data will only ever be used to provide these services. Your personal data will be retained whilst you continue trading with G D & M Dunglinson Ltd. Your Data will be automatically deleted after 8 years of cessation of trading with G D & M Dunglinson Ltd. You also have the right to request to see your data and have it deleted if you so wish at any such time you may decide, provided any outstanding account Balance is cleared.
